### Participation in State Assessments of Students with Disabilities Attending District Schools

CMT	% Without Accommodations	18.2
	% With Accommodations	81.8
CAPT	% Without Accommodations	50.0
	% With Accommodations	50.0
% Assessed Using Skills Checklist		14.7

Accommodations for a student's disability may be made to allow him or her to participate in testing. Students whose disabilities prevent them from taking the test even with accommodations are assessed by means of a list of skills aligned to the same content and grade level standards as the CMT and CAPT.

Federal law requires that students with disabilities be educated with their non-disabled peers as much as is appropriate. Placement in separate educational facilities tends to reduce the chances of students with disabilities interacting with non-disabled peers, and of receiving the same education.
