### Participation in State Assessments of Students with Disabilities Attending District Schools

CMT	% Without Accommodations	10.5
	% With Accommodations	89.5
CAPT	% Without Accommodations	13.9
	% With Accommodations	86.1
% Assessed Using Skills Checklist		6.9

Accommodations for a student's disability may be made to allow him or her to participate in testing. Students whose disabilities prevent them from taking the test even with accommodations are assessed by means of a list of skills aligned to the same content and grade level standards as the CMT and CAPT.

Federal law requires that students with disabilities be educated with their non-disabled peers as much as is appropriate. Placement in separate educational facilities tends to reduce the chances of students with disabilities interacting with non-disabled peers, and of receiving the same education.
